Plankton Worksheet-Creative Writing Journal Prompt

The word "**Plankton**" comes from a Greek word meaning "**drifter**" or "**wanderer**." Imagine that you are a zooplankton (drifting animal) floating through Rookery Bay. What would you look like? How would you stay afloat? What defenses do you have to protect yourself? What would you eat? Explain the different adaptations you'd have that would help you survive in the Rookery Bay Estuary.
